50 Cents a Year in Advance.

We are here to help Clay City, the Surrounding Country and Ourselves.

J. E. Burgher, Publisher.

VOL. 8.

CLAY CITY, KY., THURSDAY, AUGUST 13, 1903.

NO. 33.

## Killed at Stanton.

The report reached Clay City yesterday evening of the killing of a man by the name of Landrum by Weed Tipton at Stanton. Landrum is the man who shot a Miss Taulbee at Natural Bridge the fourth of July, and Tipton was deputy sheriff at that place on this occasion and was said to be a chief witness against Landrum. Whether this trouble had any bearing on the killing or not we failed to learn.

## Puts an End to It All.

A grievous wail oftentimes comes as a result of unbearable pain from over taxed organs. Dizziness, Backache, Liver complaint and Constipation. But thanks to Dr. King's New Life Pills they put an end to it all. They are gentle but thorough. Try them. Only 25c. Guaranteed by Swann-Day Lumber Co's Store.

## Not a Playhouse.

Young people should not forget that a church is not a playhouse. If they do not care to hear the sermon themselves they should at least have self-respect enough to be polite and remember that there are people in the audience who would like to hear it. Whispering, writing notes and giggling during church service is very rude. It casts reflections on their home training which in many instances is unjustified. Reserve your conversation propensities until after the service for surely the remarks you make are no wiser than the ones you will

hear by listening and you may learn something.—Exchange.

## Furnace.

## Town Property Sold.

Mr. S. M. Maple has sold his nice residence in the eastern portion of town, now occupied by Frank Earnest, to a Mrs. Taylor, late of Los Angeles, Cal. Her son, M. G. Taylor, of Beattyville, will move into the property and make Clay City his permanent home. Mr. Earnest has not yet decided where he will locate, but it is hoped that he will not leave the city as he is one of our best citizens.

## The Death Penalty.

A little thing sometimes results in death. Thus a mere scratch, insignificant cuts or puny boils have paid the death penalty. It is wise to have Bucklen's Arnica Salve ever handy. It's the best Salve on earth and will prevent fatality, when Burns, Sores, Ulcers and Piles threaten. Only 25c, at Swann-Day Lbr. Co's.

## The Assassins' Trials.

The trial of Jett and White at Cynthia is now in the hands of the jury. The attorneys in the case engaged in bitter personalities, and one not acquainted with the case could hardly have told which of three were on trial Ewen, Hargis or Callahan. The Powers trial at Georgetown has brought some new and convincing evidence of the prisoner's guilt.

## Suicide Prevented.

The startling announcement that a preventive of suicide had been discovered will interest many. A run down system, or despondency invariably precede suicide and something has been found that will prevent that condition which makes suicide likely. At the first thought of self destruction take Electric Bitters. It being a great tonic and nerve will strengthen the nerves and build up the system. It's also a great Stomach, Liver and Kidney regulator. Only 50c. Satisfaction guaranteed by Swann-Day Lbr. Co.

## Irvine Items.

[Irvine Herald.]

The Estill County Teacher's Institute convenes at Irvine, Monday, August 17, 1903.

Prof. Cutter, of Richmond, has been engaged to teach the band here, and the boys are progressing nicely under his instructions.

The Methodist revival meeting closed Sunday night after a two week's successful meeting conducted by Rev. Bromley. About 30 persons were converted.

The public school began Monday with Prof. James Wilson as principal and Miss Madge Wilson assistant. About 90 pupils were enrolled the first day.

John Hall, Field Manager for the Estill County Oil and Gas Co., has resigned his position and left Monday for Indian Territory where he has accepted a similar position.

## OBITUARY.

Mrs. Gus Webber departed this life May 26, 1903 at the age of 72. Mrs. Webber was formerly Miss Katie Stone, whose family was numbered among the best known in Kentucky.

She was born, lived and died in Estill county Ky. where she was loved and respected by all who knew her.

No one ever appealed to her for aid and went away empty handed; her deeds of charity were many and of a substantial kind.

For 36 years she was a member of the Christian church.

She was the mother of four children. Her two sons remain at the old homestead, and Mrs. A. S. Hughes, the living daughter, moved to Oklahoma a few years ago. Mrs. Webber leaves a husband 74 years old, and 28 grand children who should all be comforted by knowing that she has entered into that rest which awaits those who are obedient and faithful to God's commands.

"Blessed are the dead who die in the Lord; they shall rest from their labors and their works do follow them." RELATIVE.

## End of Bitter Fight.

"Two physicians had a long and stubborn fight with an abscess on my right lung" writes J. F. Hughes of DuPont, Ga. and gave me up. Everybody thought my time had come. As a last resort I tried Dr. King's New Discovery for Consumption. The benefit I received was striking and I was on my feet in a few days. Now I've entirely regained my health." It conquers all Coughs, Colds and Throat and Lung troubles. Guaranteed by Swann-Day Lbr. Co. Price 50c, \$1.00. Trial bottles free.

## Sheriff's Tax Sale.

I, or one of my deputies, will, at the court house door in Stanton, Ky., on Monday the 7th day of Sept., 1903, sell to the highest and best bidder for cash, that tract or parcel of land on Cow Creek, bounded on the West by County road; on South by V. C. Martin; on East by Green; Adams; on North by land of Martin Bros., and containing about 50 acres, or so much thereof as will satisfy the sum of \$3.18 being the tax due State and County from A. T. Crow for year 1902.

THOS. BOONE, Sheriff Powell Co.

## Farm For Sale.

Ninety acres of good land well improved, at Lilly's Ferry, one mile west of Spout Spring. Well watered, fine orchard, good dwelling of six rooms and all necessary outbuildings. Good neighborhood and other conveniences. Will sell at a bargain. ALLEN OSBORN, Spout Spring, Ky.

Choice Fruits of all kinds in great variety. Confectionery, Soda Pop, Lemonade and Etc.

7th. Avenue, Clay City.

## The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

### SPOUT SPRING.

Field roasting ears are a little late this season with our earliest farmers.

Tommy Christopher visited friends at Ford several days the past week.

J. W. McKinney, of Clark county, was here Saturday on business.

Several lambs have been weighed up the past week at 5 cents per pound.

Prof. Frank Edwards, Estill's famous vocalist, was in town a short while Saturday.

Mrs. T. S. McKinney and Miss Dollie Christopher were shopping in the city Tuesday.

Miss Nannie Christopher is visiting her sister, Mrs. A. R. Lowry at Pilot View this week.

Several of our people have been interested in Clay City entertainments the past week.

Our assiduous ruralists are now enjoying the fruits of their labor carving the delicious watermelon.

Born, to the wife of Simp Hall Saturday, August 8, a fine girl baby. Mother and child are doing well.

Sam Scott is delivering a lot of walnut timber at the station for which he is receiving a fancy price. This with all other kinds of timber is becoming a little scarce in this community.

The protracted meeting at the Methodist church will begin on next Sunday night. The Rev. Ragan, who will assist Pas-Willis in the meeting, was a Presiding Elder in this district a few years ago.

### Increased Reward.

The membership of Jackson's Chapel has increased the reward for the apprehension and conviction of the party who shot into the church house some months since from \$25 \$40.

### Modern Ideas Not Always Best.

Modern ways and modern methods are not always best. The viva voce method of voting is declared by all who ever cast a ballot that way, as being superior to the present ballot system. It prevents less fraud and corruption, and openly exposes every individual's vote, and no honest man cares for that.

The present system of examining applicants for teachers' certificates is equally as inferior to the old method as is the voting system. We have less qualified teachers in this part of the State than we had under the old way of granting certificates by oral examination. There is not an examination day but what the questions are sold in various parts of the State. Many watch for this opportunity to pass the examination, and in this way we have teachers in our public schools to day that twenty years ago could not get a certificate.

Under the old method, no special preparation accounted for anything, as it was impossible to learn what questions the applicant would have to answer when put on examination, many variations were made in examinations and it was utterly impossible for an unqualified applicant to procure a certificate from an honest examining board. Now it is different. The writer has known applicants to fail when the old system was in force, and get first class certificates soon as the new way was initiated.

### More Encouragement.

It seems that no one from either party cares to run for Representative in this Legislative district this time.—Clay City Times.

According to custom the Democratic candidate will be from Powell and the Republican from Estill. If a whole lot of "big" talk can be depended upon, we predict a landslide in Estill sufficient to elect the Powell county man.—Irvine Herald.

And with the support of two such loyal and splendid Democratic papers as the Herald and Times there should be no doubt of success. Candidates' announcements are now in order, and both papers are anxious to make them for you.

### Just Fit the Place.

Some people don't yet understand why a bolting Democrat is put into office by the opposing party so soon after the change. It is a case of position already and specially prepared for him when he flops over. Ability and talent is scarce in that party and the deficiency must be filled. It seems that the old bolters just fit the place.

### Both-Sided Change.

A Republican paper marvels at the fact that not many years ago the Democratic papers of the State worshipped at the feet of Simon Bolivar Buckner, W. C. Owens, W. M. Beckner, et al, and now want to send them to hades. It is an interesting and notable fact that at the same time the Republican papers that are now smothering Buckner & Co. with praise, were denouncing them as altogether unworthy of leadership or of public countenance. It looks like the honors were about even in this matter.—Georgetown Times.

### Col. Breckinridge Returns.

Col. Billy Breckinridge has announced his return to the Democratic fold. The party doesn't need or want such characters as Billy, and his reception is as cold with all thinking Democrats, as liquid air. Repetitious bolters may stand fair, and may, in fact, take the lead with some parties, but with genuine Democracy they are no go. Some thoughtless Democrat has suggested his name for Congress in his district. We would far rather have an honest Republican than such a turncoat, and we believe two-thirds of our party are of the same opinion.

### Stitch in Time Saves Nine.

Our roads are better than they were last March, and from the attention they are receiving, various road overseers must think they will not get in as bad condition any more. Now is an opportune time to put them in repair for winter. Some are so busy hauling ties they think they can't lose any time now to fix the roads, but if they don't give some time now to this needy purpose they will have to give a great deal more next spring waiting for nature to improve them.

### Marcum vs. Men of Note.

The press and people of Kentucky have gone wild over one of many assassinations in the State. They are making a far greater todo over the assassination of J. B. Marcum, a typical Breckinridge, than they did over that of President McKinley or Gov. Gobel.

### Fixing Up For Us.

Some of the Democratic editors are exercised over Judge Beckner's letter that was published in this paper two weeks ago. Pshaw, boys, that's nothing. Wait until Judge gets ready for business and goes after you in earnest.—Winchester Sun-Sentinel.

The Republican press is giving it to Gov. Beckham on account of his pardon record. They should turn at once and remember that the last Republican Governor of this Commonwealth had a practice of pardoning assassins before they were charged of the crime.

Some claim partisan juries are trying the assassins of Gov. Gobel. The defense don't seem to want Republicans on the jury; they rejected two out of three in the selection of the jury which is trying Powers at Georgetown.

The Hazel Green Herald is justly scoring the Bluegrass press for the continual free advertising it gives the mountain killings when it comments so lightly and speaks so little of the homicides committed in its territory.

The City Council at its regular meeting last Wednesday night passed a handful of the best ordinances ever considered by that

body. Now if they will only be enforced as they should, we will have a better town.

A. H. Stamper, of Campton, has announced for Commonwealth's Attorney in the 23rd. judicial district subject to the action of Democracy.

## Cured

At 70 of Heart Disease Contracted

During Civil War—Veteran Grateful.

Dr. Miles' Heart Cure Effected Cure.

Heart disease is curable, but in people of advanced age it does not readily lend itself to ordinary treatment. There is, however, hope for all sufferers in Dr. Miles' Heart Cure, which we know from watching hundreds of cases and from the letters of grateful sufferers, will cure where all else has failed. It is not only a wonderful cure for weak and diseased hearts, but it is a blood tonic, a regulator of the heart's action and the most effective treatment ever formulated for improving the circulation of the blood.

"During the Civil war I contracted heart disease, and in 1866, while living in the grand old town of Lexington, Va., I grew so much worse, I left there with my wife to visit my sister-in-law, Mrs. T. A. Kirby, at Roanoke, Va. While I said nothing to anyone I never expected to live to return to the dear old town. On reaching Mrs. Kirby's she insisted I should try Dr. Miles' Heart Cure. I procured a few bottles of it, also the Nerve and Tonic. After using one or two bottles, I could see no improvement, and I despaired of ever being better, but my faithful wife insisted on keeping it up, which I did. Improvement soon began in earnest and I took in all fifteen or sixteen bottles. I was restored to perfect health and while I am 70 years old, I am comparatively a boy. You sir, are a benefactor, and I cheerfully recommend Dr. Miles' Heart Cure to suffering humanity."—J. L. SLAUGHTER, Salem, Va.

## LOCAL BREVITIES.

We are beginning to get dry again.

The supply of roasting ears is still limited on this market.

W. G. Patrick, the Kimbrell merchant, was here yesterday on business.

Mr. and Mrs. G. P. Douglas, of Levee, visited relatives in the city Friday.

Mrs. J. P. Wright, of Madison county, was visiting in town the first of the week.

Miss Lenora Ramsey, of St. Jo, Mo., is visiting her uncle, Abe Merritt, of this city.

Mrs. W. R. Burgher is beginning to recover from a severe attack of typhoid fever.

Mr. and Mrs. Lloyd Todd, of Spout Spring, were transacting business in town yesterday.

Mesdames O. A. Lyle and M. R. Lyle, of Stanton, visited Mrs. L. C. Lyle, on Hardwick's Creek Sunday.

James Miller, of Winchester, visited his cousin, James Easter, and other relatives here the first of the week.

The pay car rolled over the L. & E. Monday. Its brief stop at this place was highly appreciated by the boys.

Mr. Lutes, resident manager for the Singer Sewing Machine Co., has moved into the parsonage.

Home-grown watermelons appeared on the local market Saturday for the first time. They are fine this season.

Mr. and Mrs. R. L. Shimfessel, of Hardwick's Creek, visited the latter's sister, Mrs. D. C. Bloom Saturday and Sunday.

Frank Edwards, the singing man of Rice Station, was here a short while Saturday enroute to Bowen where he is teaching a class in music.

Pastor Willis, who preached here Sunday morning and Sunday night, delivered a true, impressive and uncompromising address at the night services.

For all kinds of choice fruit and confectionery, lemonade and pop on ice, go to Jo. Martin in the Tucker building. His stock is always fresh and clean. Give him a call.

But few people are perhaps aware of the fact that it is a fifty dollar fine to allow thistles to go to seed on your farm. You had better attend to this matter at once.

When you want a physic that is mild and gentle, easy to take and certain to act, always use Chamberlain's Stomach and Liver Tablets. For sale by all dealers in patent medicine.

It is interesting to see the amount of goods the advertising patrons of the TIMES sell. All of them have a large growing business. They hold by far the greater per cent. of the cash and produce trade.

Elder J. A. Webb, who has been in Washington State the

past few months, returned home Monday looking as well as usual. His son, E. L. Webb will remain in his new home for awhile, but expects to return to Kentucky too sometime in the future.

### MARRIED.

Mr. Jasper Todd and Miss Annie Patton, daughter of Wm. Patton, were married Saturday evening at the residence of the bride's father at Waltersville by Elder J. T. Turpin in the presence of a number of guests.

We have for the past two weeks been running a notice of "Sheriff's tax sale" in our paper. This is the first official work we have ever done for Powell county and we are indeed proud of it, and glad to see that we have a sheriff at least willing to comply with the mandate of the advertising laws of the State.

Mrs. Mollie Allen, of South Fork, Ky., says she has prevented attacks of cholera morbus by taking Chamberlain's Stomach and Liver Tablets when she felt an attack coming on. Such attacks are usually caused by indigestion and these Tablets are just what is needed to cleanse the stomach and ward off the approaching attack. Attacks of bilious colic may be prevented in the same way. For sale by all dealers in patent medicine.

### Teachers Selected.

Prof. Gaines, of Versailles, was elected principal of the graded school for this year and Miss Mayme Groves was employed as first assistant, the same position she held last year. Prof. Gaines is a graduate of Georgetown College, and this within itself is a recommendation of ability.

### Not Over-Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by all dealers in patent medicine.

### Close of a Successful Meeting.

Pastor Turpin, assisted by Elder O. C. Brown, closed a most successful revival at Powell's Valley church Monday night. There were in all nine additions to the church. These ministers will hold a week's protracted services at Macedonia beginning the fourth Sunday of this month.

### Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux" (Dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was cured without having a doctor. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by all dealers in patent medicine.

Mr. and Mrs. M. G. Taylor have made arrangements to move to Clay City and will depart for their new home on Monday. They are among our popular

young people, and their departure will be regretted by a host of friends.—Beattyville News.

### Street to be Extended.

Sixth avenue will be extended a little further on this side of the railroad near the stave buckler and will cross the railroad by a bridge which will be built by the railroad company. This will do away with one of the most dangerous crossings in the city. As it now is trains come dashing around the curve, through the cut with no warning, and while no one has been injured there, it is very dangerous.

### Lively Time Saturday Night.

The peace and morality of our lovely little city was marred Saturday night. Drunkenness prevailed till a late hour. Profanity was floating through the air in volumes. Nearly three o'clock in the morning found no abatement of the disturbances. It is the opinion of the TIMES that all such noisy creatures should be jailed and a quietus wrought for the benefit of those who enjoy a little sleep these short nights. There were a dozen or more participants; two arrests.

### A Sure Cure for Diarrhoea.

Coming as it does, in the busiest season, when a man can least afford to lose time, a sure and quick cure for diarrhoea is very desirable. Anyone who has given it a trial will tell you that the quickest, surest and most pleasant remedy in use for this disease is Chamberlain's Colic, Cholera and Diarrhoea Remedy. There is no loss of time when it is used, as one or two doses of it will cure any ordinary attack. It never fails, not even in the most severe and dangerous cases. For sale by all dealers in patent medicine.

### Ordinances a Few.

The council passed twelve ordinances last Wednesday night bearing on morality. They prohibit the selling or giving liquor to minors; carrying or firing deadly weapons in the town; assault with deadly weapons or reckless driving; selling liquor without license; keeping open saloon on Sunday; polluting water course or spring; profane swearing or drunkenness; the selling or giving cigarette material to boys under 18 years old; provoking assault; disturbing religious worship or lawful assembly; breach of the peace or unlawful assembling.

### Boy Cured of Colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's Colic Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Mr. Wilkins is book-keeper for the Shell Lake Lumber Co. For sale by all dealers in patent medicine.

# Mid-Summer Clearance Sale!

Following up our usual custom of the past few years, of holding a CUT PRICE SALE, we will during the month of August put on sale at greatly reduced prices, our splendid stock of merchandise for the purpose of reducing the stock before invoicing, and also to make room for our fall and winter goods which will begin to come in a little while.

This sale will eclipse anything attempted on former occasions in the way of goods from which to select and prices, and every judicious buyer should take advantage of the splendid opportunity to supply his many wants while this slaughter rages.

We do not want to carry over anything in Summer Goods, and have made the cut so deep that the success of this sale is already assured, and for the bargains of your lifetime, do not fail to come early, for the best things and most desirable always go first.

So remember, for all of August only, and if you can't come, just mail us your order, and it will have the same careful attention as if you were here to look after it yourself.

## LIVER TROUBLES

"I find Theford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$100 with doctors. It is all the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.

"I used Theford's Black-Draught for liver and kidney complaints and found nothing to excel it."—WILLIAM COFFMAN, Marblehead, Ill.
